Teacher: Meredith Smith (meredithjs@yahoo.com)  
@ *Bernina Connection* (850-386-7397)

**Class Fee: \$30.00** (See sample of purse at *Bernina Connection*)

### **You will need:**

1. Pattern: ps026 Mini Bow Tucks by Penny Sturges available at *Bernina Connection*.
2. Texture Magic: One package available at *Bernina Connection*.
3. Cotton Fabric for outer purse, outer and inner pockets, loop, ties and handles: 1-1/2 yds. Batiks work really well for this purse. NOTE: if you want to mix and match fabrics, refer to the cutting directions below for the amount of fabric needed for each piece.
4. Fabric for lining: 1/2 yard
5. Fusible Fleece, preferably light weight Pellon 987F: 1-1/2 yds.
6. Cotton Thread to match fabric or contrast
7. Needles: size 80 sharp and/or size 90 topstitch
8. Presser Feet: Standard (#1 or #34 Bernina), walking foot, edgestitch (#10 Bernina), and 1/4" foot (#37 or #57 Bernina).
9. Machine in good working order, cleaned and oiled.
10. General sewing supplies: scissors, pins, ruler, rotary cutter and mat, marking pen, etc.
11. Steam Iron: You will need a good steam iron for the Texture Magic to work. There will be one in class, but you may want to bring your own along with a pressing surface to speed up the process.

It is strongly recommended that you cut out your fabric, fusible fleece, and Texture Magic prior to class. We will be making a quilt sandwich of parts of the fabric, fusible fleece and Texture Magic and quilting it. The method used on the sample in the shop is a 1/2 inch diagonal 45 degree angle grid. Lines will be drawn on the Texture Magic and then you will sew on these lines. **OR**, you can use your presser foot/walking foot as a guide for the lines. This is the most time-consuming part of the class.
